Humanitarian law instruments	Status
Mine Ban Treaty	not signed
Convention on Cluster Munitions	not signed
UN Convention on the Rights of Persons with Disabilities	Ratified (2011)
Convention on Conventional Weapons	not signed

## Summary of HI presence in the country

The first operations are dated 2008, following cyclone Nargis. The program, mainly focused on emergency response, was closed at the end of the response operations. In 2013, after a new exploratory mission, the program was reopened, initially focused on the possibility of starting Humanitarian Mine Action.
